

"Well it's a bit like that for your Grandpa now, only it's his memory that is broken.

"What's a memory?" Ellie asked her Mummy.

"Well let me see," said Mrs Trunk. "A memory is a bit like a big box that you have inside your head where you store things. Things like the letters of the alphabet, numbers, the words that you learn and people's names. It helps you to remember all of these things as well. Your memory also helps you to remember what you have done in the past and what you are going to do today or tomorrow.
